AGENDA REPORT

Agenda Item # 5A

City of Santa Clara, California

Santa Clara

DATE: September 25, 2008
TO: City Manager for Council Action
FROM: City Clerk/Auditor
SUBJECT: Appointments to Fill Up to Two Vacancies on the Cultural Advisory Commission for Terms Ending June 30, 2012

EXECUTIVE SUMMARY:

Two applications were received for the two openings on the Cultural Advisory Commission for two full terms ending June 30, 2012. Pursuant to Council policy, applicants to fill vacancies on the Cultural Advisory Commission are interviewed before a scheduled Council meeting. The applicants are scheduled to be interviewed at 6:00 pm on September 30, 2008. The applications are attached for your review. The City has made three attempts at advertising the openings and the Cultural Advisory Commission has functioned with only a partial set of Commissioners for three months.

ADVANTAGES AND DISADVANTAGES OF ISSUE

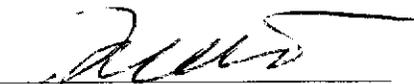

It is an advantage to maintain a full Commission for the orderly conduct of business. It is a disadvantage that with only two applicants for two openings, the field of candidates is not as large as the normal City practice would offer.

ECONOMIC/FISCAL IMPACT

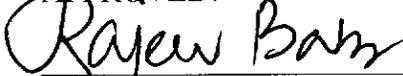

There is no cost to the City other than administrative staff time and expense.

STAFF RECOMMENDATION

That the Council interview the two applicants and appoint up to two applicants to fill the vacancies on the Cultural Advisory Commission for the two full terms ending June 30, 2012.

Rod Diridon, Jr.
City Clerk/Auditor

APPROVED:

Jennifer Sparacino
City Manager

Subject: Fwd: Application for SC Culture Advisory Commission

Mr. Ater has asked that the following information be included with his application.

>>> Gary Ater 09/18/08 2:48 PM >>>

Dear Ms. Morrison,

I dropped off my application for the S.C. Cultural Advisory Commission today at the S.C. City Clerk. While there, I also picked up a few months of the Commission' 's monthly meeting minutes. I was advised that if I had any questions, I should address them to your attention.

You might recall that I also sent an e-mail to the current commissioners, including yourself as the liaison. As of today, I have yet to receive any responses to that communication.

I am not aware if you are the appropriate individual, but I would like to ask that the following information be added to my new application. This will provide some additional information and more complete details on my background here in the valley.

Background of Gary Ater:

· · I was a professional musician / stage performer, starting in high school and a number of years beyond. I sang and played in a number of folk and folk-rock groups, on stages in local Bay Area clubs for about 15 years. (It was also my major source of income while attending college.)

· · Today, my efforts are in helping and supporting other family members and the children of close friends in their pursuit of music and performing on stage.

· · After attending college, I worked in marketing positions at what eventually became some of the early, major Silicon Valley corporations, (Fairchild, Memorex, Philco-Ford, Philips Electronics).

· · I have previously held the position of Vice President of Marketing at four Silicon Valley companies: NMB Semiconductor, Vitelic Corporation, S-MOS Systems and most recently, Trazar Corporation in Santa Clara.

· · While at S-MOS Systems in 1989 - 1991, I was the executive responsible for the financial contributions we made as a major supporter of Santa Clara' 's, **Triton Museum** .

· · As stated in my previous e-mail, I completed the City' 's **Santa Clara Leadership Program** last year. I watch the City Council meeting on TV quit often and my wife and I are planning on attending

the up-coming General Plan Update meetings at the Senior Center.

· · I have also toured the city to see all of the current public art located within the city.

· · Today, I am recently retired and partially disabled. I have lived in Santa Clara since the late 50' 's and I graduated in the first graduating class at Santa Clara' 's Wilcox High School . I also attended San Jose State University and received my Executive MBA from Stanford .

· · For the last 2 years, I have been a regular contributing editorial writer for a number of on-line magazines, including the **American Chronicle** , the **World Sentinel** and **Google News** .

· · I also have a very active Blog, (see Blog address below). My Blog is listed as one of the best Internet Blogs at " **Best of the Web.org** " "at; <http://blogs.botw.org/society/politics> .

I would appreciate your assistance in this and look forward to meeting you in the future.

Best regards,

Gary Ater

I would enjoy being a cultural representative through the city, to improve promotion of life enriching cultural/arts events for the citizens of Santa Clara and beyond city limits.

A problem this year is that the 'Art in the Air' Banners are too high on El Camino Real. Hard to see for driving & walking public. On city Channel 15, next year artist could briefly talk about their work so
